## DEAR ART AFFICIANADOS:

November and December are the months for my solo show in the Poway Performing Arts Center. What an honor it is to present my work in this gorgeous facility! It is a brand new two story performing arts auditorium located in the city of Poway, CA, (just north of San Diego, CA). I have the entire lobby area and second floor wall space to exhibit my paintings, and am I ever having a ball planning what I will show and how I will show it!

The piece shown here, "Shahrzad", is one of the many diverse, award winning piece 2-D pieces which will be on exhibit at this center. My show opens the day after Thanksgiving and goes until the end of the year. I know it is a bit far for all L.A. denizens, but if you're anywhere near San Diego, I'd love you to visit and see some of my newest paintings.
