### DEAR ART AFFICIANADOS.

#### HOW ART THOU?

I thought you might like to see these award winning pieces which were honored with special awards this month at various art exhibitions in the Los Angeles area. It means a lot to me when my peers recognize my work. This is the juice that keeps my creative pump going. Yes, I love the process of making the art, but the frosting on the cake is the acceptance of fellow artists and the honors bestowed upon me and my work. This energizes me to keep creating!
