

"HOW ART THOU?"

DEAR ART AFFICIANADOS:

Spring is a time of regrowth and renewable energy. So, looking forward to the ensuing spring season I created a series of floral compositions, and then was lucky enough to have the Arc Light Pasadena Theatre exhibit my works. So, if you'd like to see what spring looks like to my artistic eye, walk through the lobby and coffee shop areas of the theatre, and rejoice in nature.

"EVERLASTING"

Oil on Canvas
36"H x 24"W

Whilst the above painting was created in oil, the other paintings currently on exhibit were accomplished in all mediums, i.e., pastel, oil and/or watercolor, and come straight out of my love for the fragile beauty of flowers.

So, if you're curious as to my take on flowers, and have an itch to see a good movie in a lovely theatre, try the Arc Light in Pasadena.
