

"HOW ART THOU?"

## DEAR ART AFFICIANADOS:

### "AFRICANZ"

Mixed Media  
16"H x 16"W

February is "Black History" Month. To honor this occasion I have developed a body of African-oriented work, <http://artbyione.com/african.html> . I invite you to visit the other pieces in this exhibition.

Our country wouldn't be "The Land of the Free", without all the different people who live here. What a wonderful place the U.S.A. is, that we all have the opportunity to live and find our dreams.

Beside creating this body of Black Art, I'm busy showing my art in these various venues. If you have time, and interest, please visit these art shows at your convenience.
